For the safety and well-being of everyone in the school community it is necessary for us to work within a set of rules.

Our six school rules are clear and simple. They are used consistently and are linked with consequences.
They are:
• Walk quietly on the left.
• Speak to each other politely.
• Keep your hands and feet to yourself.
• Listen to and follow instructions.
• Attend school regularly and be on time.
• Keep the school environment clean and tidy.

At the beginning of each academic year teachers agree with pupils a set of class rules. These are displayed in the classroom to be used as a point of reference for maintaining high standards of behaviour for anyone working in that room; they are revised at the start of each half term.

Dining Hall Rules:
• Be respectful and polite at all times.
• Eat healthy food.
• Follow instructions at the first asking.
• Talk quietly.
• Always walk carefully in the dining hall.
• Stay in designated areas.
• Ask for permission before leaving the table.

Playground Rules:
• Play safely with the playground equipment.
• Stay in the playground, unless given permission to leave.
• When you hear the first bell, stand still. When you hear the second bell, walk silently to your line.
